## Summa Rehab Hospital Proudly Serving Northeast Ohio for the Past Four Years

**Summa Rehab Hospital's mission is to provide the highest quality compassionate care to our patients and contribute to a healthier community**

Summa Rehab Hospital's goal is to assist each patient in achieving their highest level of function and independence possible. The rehab specialized physicians medically supervise all care delivered to our patients. 24/7 rehabilitation nursing care combined with an intensive therapy program (including 15 hours per week of physical therapy, occupational therapy and speech therapy) focuses on individual needs of the patient and their caregivers. Case Management, pharmacy, respiratory therapy, dietary and other clinical specialists are available to serve our patients throughout their stay with us.

*For more information contact us below.*

### Summa Rehab Hospital Sponsors **Life After Stroke Support Group**

This group provides a forum for stroke survivors and their families to share ideas and solve problems after a stroke. Health professional staff facilitates meeting, with community speakers lending their expertise on successful living after stroke. The group meets on the 2nd Friday of every month at Summa Rehab Hospital.
