

Rehab Hospital

A partnership with Vibra Healthcare

# Summa Rehab Hospital is very proud of our team!

Our team continually strives to be the best that it can be and we are proud of their accomplishments. We have 5 board certified neurologic clinical specialists on staff, ensuring that the evidence based practice guidelines designed for these specific patients are incorporated. This gives our patients the best opportunity to excel and return to a normal independent lifestyle when they complete their program. This therapy certification is not common in all rehabilitation facilities. There are currently only 37 such designations that exist in the state of Ohio!

James Lee PT,DPT,NCS

Dorothy Powell PT,DPT,NCS

Kara Seese PT,DPT,NCS

Katlyn Bush PT,DPT,NCS,CCCE
